Career Objective

Results-driven Lead Software Engineer with 6+ years of experience in Angular, ReactJS, and scalable UI architecture. Proven expertise in leading Agile teams, optimizing performance, and implementing test-driven development. Strong collaborator with a track record of delivering high-impact solutions in fast-paced environments..

Professional Experience

Lead Software Engineer – Ultimate Kronos Group (Feb 2024 – Apr 2025) | Leading software solutions in the workforce management domain

- Led frontend engineering initiatives using ReactJS and Angular 13 for enterprise-scale workforce management platforms.
- Architected modular micro-frontend solutions to improve scalability, maintainability, and deployment efficiency.
- Owned frontend technical decisions, code quality standards, sprint planning, and cross-team coordination.
- Mentored engineers through code reviews, architecture discussions, and frontend best practices.
- Built reusable UI modules and optimized rendering performance for complex enterprise workflows.
- Collaborated closely with product managers, QA teams, and stakeholders to ensure timely feature delivery.
- Contributed to improved engineering velocity through modular architecture and reusable frontend patterns.

Senior Software Developer – TAAZAA Tech Pvt. Ltd. (Jul 2023 – Jan 2024) | Delivering innovative technology solutions to transform organizations

- Developed core features for TOBI, a NEMT application using Angular 13 and Cypress for E2E testing.
- Created reusable UI components and improved application performance through code optimization.
- Led UI enhancements and collaborated with designers and product managers to refine requirements.

Senior Software Developer – Sirion Labs Pvt. Ltd. (Jan 2023 – Jun 2023) | Provisioning contract management solutions

- Led development and enhancement of key modules using AngularJS and ReactJS.
- Conducted knowledge transfer sessions, mentored team members, and participated in code reviews.
- Managed sprint tasks and maintained clean and scalable project architecture.

Software Developer – Sirion Labs Pvt. Ltd. (Dec 2020 – Dec 2022) | Provisioning contract management solutions

- Migrated applications from Angular 7 to Angular 9 with performance enhancements and lazy loading.
- Integrated third-party libraries like FusionCharts and GoJS to deliver dynamic, interactive data visualizations, enhancing UI responsiveness and user engagement.
- Worked in Agile teams, contributed to planning, and ensured code quality with Bitbucket workflow

Associate Software Developer – Sirion Labs Pvt. Ltd. (Apr 2019 – Dec 2020) | Provisioning contract management solutions

- Developed foundational UI modules using Angular 7 and upgraded to Angular 9
- Focused on reusable component creation, cross-browser compatibility, and responsive design
- Participated in Agile development cycles and collaborated with backend teams for integration.

Technical Skills

Frameworks	AngularJS, Angular 6/7/9/13/16, ReactJS, jQuery, Socket.io
Languages	JavaScript, TypeScript
Web technologies	HTML5, CSS3, SCSS, Bootstrap, Tailwind CSS
Architecture & Engineering	Micro-Frontends, Component-Driven Development ,Performance Optimization, Lazy Loading, Reusable UI Libraries, Responsive Design
Tools	JIRA, Bitbucket, Copilot, VS Code, Cursor, Claude, GIT Workflows
Testing & Development	Cypress (E2E Testing), Unit Testing, Code Reviews, Agile Development

Qualifications

B.tech	Ajay Kumar Garg Engineering College	81,33 %
Intermediate	Subhash Academy	84,6 %
HighSchool	Subhash Academy	9.8 CGPA

Awards & Achievements

- Recipient of the **Silver Award** and other recognitions at **UKG** for exceptional contributions.
- Awarded **Best Team Award** at **TAAZAA Tech** for outstanding performance in the TOBI project.
- Honored with the **TYIM Award** and multiple appreciations in the **Sirion Labs** for leadership and performance excellence.

- **District Topper** in Class X (CBSE) and **School Topper** in Class XII (CBSE).

Personal Details

Date of Birth: 05 January, 1996

Languages: Hindi, English

Nationality: Indian
